THE DIRECTOR OF
CENTRAL INTELLIGENCE

National Intelligence Officers

29 June 1981

NOTE FOR: DCI

Attached is the package you asked for this morning on the background of the NIO system and its relations with NFAC/DDI. It includes the draft of the study I did for George Bush in 1976, a memorandum I did for Frank Carlucci in 1979, and the Staff Study that led to the creation of the NIC, also in 1979.

In addition to the Bush and Turner marginalia on the first paper, there are now added DDCI's comments in ink.
